

# Epic Manager Validation

## How To Guide

Below are the steps on completing training for Manager Validation.

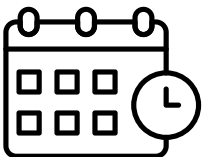

Manager Validation is to ensure your staff has the right access and right training for Epic.

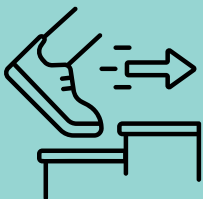

Please take 15 minutes out of your day to watch the [Manager Validation video](#) on how to complete this assignment.

Once you have completed watching the video, navigate to the [Training video quiz](#) to attest you have completed the training.

All the above steps must be completed no later than **May 9**.

Beginning **May 12**, you will receive an email with a link to access Manager Validation through Hyperspace. Steps on how to login will be sent out at that time.

If you are unable to complete any of the steps, please email the Epic Training Team at [practicedevelopment@ttuhsc.edu](mailto:practicedevelopment@ttuhsc.edu).
